PAUL CONWAY
HELMETS™

Legacy 5™

Low profile, modern-style helmet for superior balance and stability

Exclusive Features

- 1 **Shell** — state-of-the-art fiberglass materials for light weight and structural integrity. RTM technology provides color pigmentation throughout the shell.
- 2 **Impact cap** — Lexan®/ABS dome encapsulated with urethane foam for outstanding thermal resistance.
- 3 **Suspension** — patented Center of Gravity™ adjustment system lets you set the center of gravity to your liking and keeps it positioned in place.
- 4 **Height adjusters** — provide three different headband height positions.
- 5 **Ratcheting headband** — adjusts from size 5½ to 9½. Headband is cushioned with foam and covered with black knit DuPont™ Nomex® brand fiber for comfort and secure fit.
- 6 **Eye protection** — Choose from:
 - High temperature 4" APEC faceshield with spring-loaded Safety-Set® brackets or thumbwheel adjustments
 - ESS goggles
- 7 **Edge binding** — aluminum core edge binding is durable, but light.
- 8 **Chinstrap** — easy-to-adjust, quick-release chinstrap with postman's slide.
- 9 **Ear covers** — Yellow Nomex®/flannel ear covers for added neck/ear protection. Other materials/colors available upon request as replacement parts.
- 10 **3M™ Scotchlite™ Reflective Material** (1" x 4" lime-yellow bars) — has excellent heat resistance and maintains brightness and color after heat exposure.

Colors — available in yellow, black, white, red, blue, orange, or green.
